SUPERPOSED COLORS GRAPHIC FOR PROVIDING A CONTINUOUS
COLOR FADE TRANSITION BETWEEN TWO COLORS

Attorney Docket: GP-302790

PETITION TO ACCEPT COLOR DRAWINGS
under 37 CFR 1.84

Nature of Petition:

Applicants are petitioning the U.S. Patent and Trademark Office to accept a color rendition of drawing sheet 6.

Argument in Support of Petition:

The invention pertains to a supposition of two differing color fades. In order for a reader to properly understand what is meant by the term "color fade", color drawings are necessary. Sheet 6 supplies this necessary information.

Conclusion:

As required by 37 CFR 1.84 (a) (2), this petition includes the following:

- (i) the fee of \$130.00 set forth in 37 CFR 1.17 (h) is authorized to be charged to account 07-0960;
- (ii) three sets of color drawings, labeled herein as drawing sheet 6;
- (iii) a black and white photocopy that accurately depicts to the extent possible, the subject matter shown in the color drawing sheet 6, and
- (iv) in the specification, the first paragraph of the brief description of the drawings includes the required language.

Respectfully submitted,

Laura C. Hargitt
